FOOD AND BEVERAGE

1. **COCKTAIL PARTY (BHT 500 – 1,000 PERSON NOT INCLUDING DRINKS)**

At larger weddings, guests fly in from all over the world. Many have never been to Thailand, let alone Koh Samui before and while some may already be old friends, others are first meeting for the first time. An informal cocktail party on the beach, after all the guests have arrived, would be the perfect ice-breaker where the bridal couple can take stock of their guests, introduce them to each other and announce planned activities. Good company, cold cocktails, tasty finger food, music and sea breezes combine to create a welcoming atmosphere.

2. **DINNER (BHT 1500 up PER PERSON NOT INCLUDING DRINKS)**

We can cater for up to 20 persons at The Scent hotel. For the menu we will work details out with the couple.

3. **WEDDING CAKE (BHT 1000 up)**

A wedding cake for two persons to 20 persons or more; it's again up to the taste of the wedding couple!

4. **BEVERAGES**

We offer a large and reasonably priced selection of drinks. Standard practice during weddings is an open bar stocked with all the basics and as well as cocktail ingredients, wine, beer and champagne. Charges will be based on actual consumption. A budget can be set and the bar staff will advise the hosts before the limit is reached. The liveliest parties are those with a generous open bar.
